ACTION: the Assistant Clerk to write to SADC Planning department, and cc the portfolio holder, with concerns that officers have refused an application using delegated powers on a small technicality and so the application is not discussed at a Council Meeting. When the applicant reapplies, having addressed the technicality, SADC has no choice but to approve because the applicants have addressed the reason for refusal previously. This is illustrated by the change of use application at Old Watford Road (5/2020/2063) but has happened on more than one occasion.

ACTION: the assistant clerk to ascertain whether HCC maintains the path between the recently sold green space off Wych Elms and 2 Mulberry Close, Park Street

2021/PC/035 To note appeal decisions, certificates of lawfulness, prior notifications, decisions, as on the Planning List
Noted

2021/PC/036 To request that SADC provide copies of pre-application meeting minutes
The Assistant Clerk reported that SADC officers had confirmed that they could not share the minutes of the pre-application meetings as these were confidential.

2021/PC/037 To receive reports

a) Enforcement updates

The Council has received numerous complaints about the increasing numbers of mobile homes being installed at Woodview Lodge / Hoofprints off Lye Lane. Bricket Wood. These have been forwarded to SADC Enforcement who have provided updates to say that they are investigating.

Cllr Pryce reported that entrances have been opened up onto the land at the junction of the A405 and the M25 from Lye lane. One of these was due to Thames Water working on a blocked sewer, however, in addition it appears that a number of test holes are also being drilled.

b) SADC Local Plan

Cllr Yates gave an update on the draft Local Plan.

c) Neighbour Plan update

The Regulation 14 consultation is currently underway. A public meeting was held on Zoom on 9 November at which 47 people were present. Feedback was generally very positive. The consultation ends on 30th November.

The meeting closed at 8.54pm
