

Q1 Where do you live?

Answered: 240 Skipped: 0

ANSWER CHOICES	RESPONSES	
Bricket Wood	75.00%	180
Park Street	9.17%	22
How Wood	5.83%	14
Chiswell Green	2.92%	7
Garston	3.33%	8
Outside of the local area	3.75%	9
TOTAL		240

Q2 How would you most likely travel to use Woodbury Field in Bricket Wood?

Answered: 240 Skipped: 0

ANSWER CHOICES	RESPONSES	
On foot	69.17%	166
By bicycle	20.83%	50
By car	7.50%	18
By public transport	0.83%	2
Other (please specify)	1.67%	4
TOTAL		240

#	OTHER (PLEASE SPECIFY)	DATE
1	Electric wheelchair	5/31/2020 10:36 PM
2	Scooter	5/27/2020 12:11 AM
3	I live next to it - of course it will be on foot - but most bring cars	5/26/2020 9:23 PM
4	I live right next to it	5/26/2020 7:38 PM

Q3 What matters to you when visiting Woodbury Field now and in the future?

Answered: 240 Skipped: 0

	NOT IMPORTANT AT ALL	UNIMPORTANT	QUITE IMPORTANT	VERY IMPORTANT	TOTAL
That it is clean and tidy and equipment is in good condition	0.83% 2	0.00% 0	15.00% 36	84.17% 202	240
That there is a range of equipment and facilities for all ages and abilities	2.09% 5	5.02% 12	33.05% 79	59.83% 143	239
That there is equipment for preschool children	8.40% 20	19.75% 47	32.35% 77	39.50% 94	238
That there is equipment for children aged 5-8	5.93% 14	8.90% 21	36.86% 87	48.31% 114	236
That there are facilities for older children, aged 9-14	4.62% 11	8.40% 20	30.25% 72	56.72% 135	238
That it is easy to get to using buggies or wheelchairs	8.86% 21	12.24% 29	36.29% 86	42.62% 101	237
That there are sports facilities	4.60% 11	18.41% 44	34.31% 82	42.68% 102	239

That it is a natural place with habitats for wildlife	2.51% 6	15.06% 36	39.75% 95	42.68% 102	239

Q4 What type of facilities would you like to see at Woodbury Field?

Please choose your top THREE from the list below or add your own by choosing other.

Answered: 240 Skipped: 0

ANSWER CHOICES	RESPONSES	
Pump track	52.50%	126
Ramps for skateboards/scooters	24.58%	59
New equipment in the Play Area	46.67%	112
More sports equipment and facilities	30.42%	73
Boundary Path	28.75%	69
Play Area surfacing	33.33%	80
Natural habitats	26.25%	63
Natural play features eg logs, boulders and mounds	36.67%	88
Other (please specify)	8.75%	21
Total Respondents: 240		

#	OTHER (PLEASE SPECIFY)	DATE
1	Definitely do not wish to see a pump track or skate board/ scooter ramp as they would spoil the field's character and area of nreenwood Park is much better suited to pump tracks and skate board ramps since it is more developed and has facilities.h better suited for a pump track and skate board ramp.	6/14/2020 6:07 PM
2	Safe area to exercise dogs off lead	5/31/2020 10:36 PM
3	Outdoor adult sports facilities	5/30/2020 2:26 PM
4	Car Park	5/29/2020 11:30 AM
5	outdoor exercise machines with no charge made for use	5/28/2020 11:51 AM
6	A slide for younger children	5/28/2020 10:26 AM
7	It needs a fantastic multi use wooden play equipment with multi uses, bridges, tunnels, slides, climbing walls, they are great for any ages as parents can walk along with smaller children and bigger children have fun independently, it also saves having lots of different equipment where it can all be had in one large piece of equipment that being wood looks good to look at as well in the surroundings, please see leavsdn play ground how they have done it up and incorporated so much in it suits all ages	5/28/2020 9:50 AM
8	Trampoline	5/27/2020 3:19 PM
9	Ninja warrior and parkour climbing equipment	5/27/2020 1:45 PM
10	Adult exercise equipment	5/27/2020 10:34 AM
11	Parkour climbing equipment. Ninja warrior climbing	5/27/2020 12:11 AM
12	Cycle bumps	5/26/2020 11:22 PM
13	Enclosed area for dogs	5/26/2020 11:10 PM
14	It needs to be secure as there are lots of breaks in the fences and dogs can get out easily.	5/26/2020 10:20 PM
15	Water play?	5/26/2020 9:29 PM
16	There should NOT be attractions that bring additional people with cars or attract teenagers and increase antisocial behaviour	5/26/2020 9:23 PM
17	Picnic benches	5/26/2020 9:23 PM
18	Gym	5/26/2020 9:11 PM
19	Sandpit area with climbing equipment for 1-5 year olds - similar to in place at Chiswell Green	5/26/2020 6:00 PM
20	Football goals	5/26/2020 5:37 PM
21	Sports equipment for older people too	5/26/2020 4:15 PM

Q5 Play Area Equipment - In addition to what is already there, what type of play area equipment would you prefer to see? Choose your top **THREE**. The pictures are just examples to illustrate what the equipment could look like.

Answered: 78 Skipped: 162

#	RESPONSES	DATE
1	Woodbury Field has poor drainage: to maximise its potential, drainage has to be a priority	6/14/2020 9:11 PM
2	Also make local roads 20mph speed limit to ensure it is safe to walk and ride there	6/14/2020 9:05 PM
3	Woodbury Field is, and should remain a natural area for relaxation and should not be spoiled by over development (especially without a car park and toilet facilities) - picnics, walks, swings and ball games are currently enjoyed by all and the addition of out of place equipment would in all probability make it less safe and less pleasant to enjoy.	6/14/2020 6:07 PM
4	Better access for buggies and all weather Astro turf park play area.	6/14/2020 5:26 PM
5	The pump track would be a great idea	6/14/2020 5:10 PM
6	I think a pump track caters for all ages using bikes, scooters and skateboards and will be used all year round.	6/14/2020 5:04 PM
7	Different levels for skill on the pump track	6/14/2020 5:01 PM
8	Have a pub	6/14/2020 4:59 PM
9	Cycling track is a must for Bricket Wood COVID has boosted cycling for kids so much but they need better places to play on bikes	6/14/2020 4:56 PM
10	Definitely dog free areas especially around children's play area & areas with any other equipment. Gates unable to be opened by children. Plenty of rubbish bins. Some all weather surfaces. Notices re use & behaviour on equipment and respect for fellow users. Notice, who to call for help, emergency or otherwise.	6/13/2020 5:59 PM
11	I believe an all year round park and cafe would make a huge improvement to Bricket wood and this is an exciting development	6/13/2020 3:36 PM
12	It is vital that older children have somewhere safe and welcoming to exercise and hone their skills and encourage them to exercise in a funway.	6/12/2020 6:11 PM
13	There are many places to cycle around the area so I'm not sure tarmacking a lot of this green space is a priority. However a space that is already tarmac (the basketball court) would be much better used as skate/scooter ramps which is something very much lacking in the local area.	6/12/2020 1:18 PM
14	None	6/12/2020 7:51 AM
15	The biggest negative is the very poor drainage in Woodbury Fields which renders most of the green space waterlogged as soon as Autumn days arrive and nigh on impossible to take healthy walks and enjoy the space - please consider this as a priority over everything else in the money spend to rectify this going forward and to make it a community space all year round for residents and visitors!	6/10/2020 7:39 PM
16	Gymnastics bar to spin around on	6/10/2020 5:25 PM
17	More shade would be beneficial for playing and resting areas from trees.	6/1/2020 2:17 AM
18	The access to Woodbury Field is very tricky for Mobility scooter/wheelchair. Kerbs need lowering, hedges cutting back & benches need arm rests etc	5/31/2020 10:36 PM
19	This is such a great opportunity to bring the community together. Being able to access it all year round, with all weather surfaces and a supporting cafe would be a great addition to the village!	5/31/2020 10:08 PM
20	The whole area should be secure with gates controlling use times.	5/30/2020 2:26 PM
21	stop the town houses parking in Grassington Close.	5/29/2020 11:30 AM
22	Would like to see more adult stuff. At the moment there are childrens play items and I think that there are enough of those already. Thank you.	5/28/2020 11:51 AM
23	We really need a slide for younger children, the one on the park now is very dangerous.	5/28/2020 10:26 AM
24	As a resident of Bricket wood I always travel to places with fantastic play equipment as the one In the village is not well equipped it would be lovely to mimic these places, leavsdon country park did their park up and it has the wow factor for all please have a look at their play area they also have a gym just outside the play area, a bug habitat seduction with mud kitchen and cafe, also a lovely play area which was not the biggest was wigginton I have pasted a link in to be seen, these metal play equipment as pictured in the survey are just not as nice as wooden ones they never seem to be equipped properly for all ages little ones	5/28/2020 9:50 AM

struggle to use them and they look so unattractive like the stuff we have had in Bricket wood wooden ones would really keep the authentic look for Bricket wood and you can get so much on them you don't need separate slides etc multi climbing frame can be soo much better and bigger with multi slides and little cabins up with a cafe/shop as well
<https://www.google.co.uk/amp/s/freetimewiththekids.com/2019/08/05/wiggington-playground-review/amp/> Also a parent and child swing would be awesome to swing with them

25	A safe way for children to cross the road, to get to the park. If it slows the traffic so be it..the cars come round the bend too fast anyway! Make sure the all weather surface is colourful and interesting with built in hopscotch and other games and also usable in winter, as its very waterlogged/ flooded when there has been heavy rain causing massive puddles of mud, mostly around the bench for parents to sit on making it unusable. Some benches could do with facing the other way , so parents can be aware of who else is around or coming into the park. Now we have to socially distance we need a few other things to sit on. Maybe they can be sponsored or in memory of local people. A good bike rack would be useful and maybe a stage/performance area.. any improvements would be so fantastic, nature is all around in the woods surrounding the park but fun areas where litter can be controlled and wildflowers do not get crushed are in short supply. Some Art and Culture would be nice, a large community chalkboard or an interesting sculpture might add a nice bonus and make locals proud. I have watched older kids/young adults make bombs from bottles of coke (leaving all the litter and mess) and destroying the trees by pulling off branches. Such a shame these people have such little respect for their community space.	5/27/2020 8:51 PM
26	Given the profile of youths and gypsies the park currently attracts, I think that facilities such as a bike or skate board ramp would encourage more teenagers who would drink and discourage the majority of the community from using the facilities. Bricket Wood has a lot of young families and dog walkers. It would be nice to have a lovely play area that's not for teenagers to drink and do drugs in. It would be great if money could be spent on the security of the facility and that it's cleaned regularly. In terms of a car park and cafe that is certainly not required at an amenity space of this size. A cafe is also going into the nearby station within the proposed refurbishment. I really hope that the council consider the issues parks create with youths and spend the money on facilities which will benefit the community opposed to facilities which encourage youths to hang around and discourage the wider community from using much needed space.	5/27/2020 7:52 PM
27	More bins that are emptied daily. Possibly some lighting.	5/27/2020 7:10 PM
28	I'm all for the bike track. I think the kids would love, it would encourage cycling, and would stimulate both body and mind. I also think the addition of the table tennis table would be brilliant.	5/27/2020 2:14 PM
29	Safe cycle route from Bricket Wood Station	5/27/2020 2:05 PM
30	Megan Enock wrote a letter encouraging people to vote for the park. She would like to be involved in helping organise the park and have her brownie pack be involved. When the brownies were asked, a lot of them were scared of the sparks coming off the pylon which is directly above the park	5/27/2020 1:45 PM
31	The pylon in the park is not ideal. It buzzes and ideally I prefer it to be moved. I would like to see the field as an attractive site that would have facilities to suit all ages.	5/27/2020 11:19 AM
32	Car Park away from the main road.	5/27/2020 10:06 AM
33	My only concerns with any project for Woodbury Field is the extra need for car parking and for toilet facilities. Even with the limited equipment there now is that our little close opposite the park is constantly blocked by cars and that people urinate in our 'turning circe' between the cars and the wall. NOT PLEASANT!!! Perhaps someone from the Council should come down at sunset and observe what goes on behind that hideous wall that was constructed and seldom used? If this project goes ahead, we will definitely be needing double yellow lines in the close and along West Riding as our local buses have difficulty negotiating the bend at the junction of West Riding, Lye Lane and Oak Avenue.	5/27/2020 9:03 AM
34	It would be good if there were boards explaining local wildlife and plant types	5/27/2020 8:57 AM
35	Would like a fine balance of equipment and space	5/27/2020 7:55 AM
36	This park is currently awful children have no park in Bricket Wood to walk to currently. The new park in Abbots Langley is excellent	5/27/2020 7:08 AM
37	N/A	5/27/2020 6:51 AM
38	I would like to see a more natural looking park using natural materials. No more metal equipment, the park in Abbots Langley is made from wood and looks so nice.	5/27/2020 6:29 AM

39	Enough bins	5/27/2020 4:46 AM
40	Safety. Have felt intimidated by teenage groups when been there. Cafe and seating area.	5/27/2020 1:19 AM
41	There is nothing in the village for age 9+ children. I think this is a priority. Skate ramps for use with skateboards, scooters and bikes would definitely be my priority and I feel would be very well used.	5/27/2020 12:42 AM
42	All weather surface is very important as the soil is clay based and inaccessible during most of the year	5/27/2020 12:11 AM
43	Would love to see a cafe	5/27/2020 12:02 AM
44	Plenty of bins, seating areas with bbq, toilets	5/26/2020 11:19 PM
45	An enclosed area for dogs to play	5/26/2020 11:10 PM
46	There are so many children with bikes and to be able to practise and build confidence as well as having great fun and exercise, a pump track would be amazing.	5/26/2020 11:09 PM
47	The pump track is by far the best option for the village and has already received support from 450 local residents on the recent petition that has already been submitted to St Stephens council.	5/26/2020 10:54 PM
48	My 7 year old daughter would love to see a bar there for swinging on.	5/26/2020 10:51 PM
49	It's very important to have a green space for everyone to enjoy	5/26/2020 10:48 PM
50	Community veg area for all	5/26/2020 10:45 PM
51	Try and sort the drainage!	5/26/2020 10:40 PM
52	Have one entrance and exit to make it secure	5/26/2020 10:20 PM
53	A small cafe, a path around the park, improved playground equipment. Nothing too fancy as the space isn't huge. Quality facilities rather than too many things which may be unused. The new facilities at leavesden country park are excellent, something like that would be great!	5/26/2020 10:11 PM
54	It is so muddy in the winter to make it inaccessible to users. Any improvements should have this in mind at the development stage.	5/26/2020 10:02 PM
55	Would be lovely to see the play area equipment build with wood material instead of coloured metal structures so it could blend with the landscape. A lot of plants and trees could be added to make a shade for the parents whilst the children are playing. A hot/ cold drinks and ice cream parlour would be lovely to have.	5/26/2020 10:00 PM
56	.	5/26/2020 9:49 PM
57	It's important as a Bricket Wood resident to provide modern play facilities for young children to be able to walk to and sports facilities for village residents as they get older.	5/26/2020 9:41 PM
58	Better facilities for a 5yr old a slide where doesn't have a rock climbing to get up it Leave the rocking horse thing but improve the climbing frame	5/26/2020 9:35 PM
59	Would love to see possibly sand pit? Or splash park.	5/26/2020 9:29 PM
60	More for older children	5/26/2020 9:28 PM
61	I live local to the park and we already have considerable problems with people driving to the park and parking in West Riding and Grassington Close, frequently blocking drives. Teenagers park here to use the park as do parents transporting children with bikes, scooters etc to the park. We also have frequent problems with teenage antisocial behaviour, urinating around our fences and frontages, driving quad bikes and motorbikes around the park. It is essential that you do not make this situation worse by installing equipment / attractions at the park that will encourage additional people which will only make these problems worse. Whilst it's a nice idea to put extra facilities in the park, those promoting these ideas are not the people who have to live with the parking and antisocial behaviour issues day in, day out. The local residents should be considered as a priority.	5/26/2020 9:23 PM
62	We would love to see the existing swings replaced/repaired please. Looking forward to seeing the new equipment and we will be/ we are frequent visitors. The area is always well maintained and will benefit from the investment.	5/26/2020 9:17 PM
63	Equipment feasible for older children 8+ but not to become an area where youths come and be unsocial	5/26/2020 9:01 PM
64	No other comments	5/26/2020 8:55 PM

65	Bricket Wood Park is in serious need of being updated! The surrounding villages have all got new and fun parks yet Bricket Wood is still in dire need.	5/26/2020 8:46 PM
66	Any of the things I've chosen would be a great improvement	5/26/2020 8:38 PM
67	I worry that it'll become unsafe or feel unsafe for younger children if there is new equipment such as a skate park which might attract older children to loiter at the playing fields.	5/26/2020 8:38 PM
68	Y	5/26/2020 8:34 PM
69	Wouldn't be great to have equipment and climbing frames (especially a slide) for under 5s current slide can't be used by all ages!!	5/26/2020 8:29 PM
70	More bins and seating areas also maybe a fenced off dog run	5/26/2020 8:26 PM
71	Enough litter bins / dog poo bins	5/26/2020 8:26 PM
72	I must put forward my total objection to any plans for more teenage engagement. The parking around Woodbury field is bad enough, and we have a lot of teens in cars all evening using the park for gatherings and/or motorbiking - PLEASE do not put anything like ramps or jumps there because it will just make it worse. If you look at the bank holiday weekend, it was a parking nightmare on West Rising and Grassington Close, us local residents often have drives blocked and just get abuse when we ask for access to our own properties. Really, I am all for local recreational developments, but anything done here has to include more parking and please patrol it - the park is often a no-go area for most of the summer and autumn, due to abusive teens. So any works done to encourage their activities must also include some way to make sure there are not more antisocial activities. Thank you	5/26/2020 7:38 PM
73	Important that all ages can play. If older ones are playing football on the court, younger ones can't so they possibly need a smaller separate area to do this. Swings are currently broken and the slide is dangerous so definitely need improving.	5/26/2020 6:37 PM
74	Ban dogs from entering the field at all, there are plenty of woods around for them. The field should be dog mess free, it is unsafe of little kids currently.	5/26/2020 6:28 PM
75	It's a very well loved park area that would be Well looked after by local residents saving us having to travel further	5/26/2020 6:22 PM
76	Bins Cctv	5/26/2020 6:17 PM
77	pump track skate facility eco features trim trail	5/26/2020 5:37 PM
78	Please remember that some homes are very close to the boundary and a noise deadening hedge, would be necessary if it is going to encourage more people into the field, particularly if the boundary is used more.	5/26/2020 4:15 PM
