St Stephen Parish Council Planning List February - March 2022
The planning applications listed here were considered by the Planning and Environment Committee on 10 March 2022 and submitted to St Albans District Council

Planning Applications – Bricket Wood

Prior Notification - The proposed development comprises the installation of 1no. 20m street monopole, the installation of 2no. cabinets and 1no. meter cabinet, and ancillary works thereto

Objection: the proposed location, on the junction of Bucknalls Drive and Station Road in Bricket Wood, is within a Site of Special Scientific Interest, Bricket Wood Common.

5/2022/0187 Yard Rear Of Wexhams & The Shop Lye Lane Bricket Wood Hertfordshire AL2 3TD

Certificate of Lawfulness (existing) - Retention of Buildings 1 and 2 at The Yard and Building 3, The Shop

Objection: SADC Planning Department should ensure that enforcement has started a formal enforcement process in relation to the buildings use and that a planning contravention notice is served.

Planning Applications – Park Street

5/2022/0267 Land Between Caravan Site & Watling Street Park Street St Albans

Outline application (access) - Erection of up to 95 dwellings, including 40% affordable dwellings and 5% self-build and custom build dwellings, public open space, landscaping and associated infrastructure

Strong Objection: inappropriate development in an unsustainable location within the Green Belt without proven justification that the benefits outweigh the detrimental impacts.
