

Its your **LAST** chance to say **NO** to:

Additional
220 HGVs
per hour

Longer
Road & Rail
Commute

Huge
LOSS
of
Green Belt

Increased
HGV
pollution

Rail Freight
**ON YOUR
DOORSTEP**

Additional
3000 vehicles
per day

*Don't let Herts County
Council sell off 300 acres of
our land for a rail freight
interchange*

This affects EVERYONE in and around St Albans

Save St Albans: Fight the Freight have created an e-petition on the Herts County website which we urge you to sign:

Suspend the sale of 300 acres of St Albans green belt for a rail freight terminal development

If you can and would like to help this campaign please let us know by email - volunteers are always welcome.
