#	RESPONSES	DATE
1	Needs better drainage in parts and marked footpaths across it. Picnic tables for families. Skate park for older children.	6/1/2023 10:10 AM
2	Monkey bars would be great	5/30/2023 5:59 PM
3	I think the most important thing is for young children, as they get older they go and play in the woods. The area which is fenced off should be for smaller children, older ones are safer and have less need for a fence around the edge. A big sandpit with a climbing frame so they can put sand in buckets or use other tools would be great, with a safer sandy slide - and tunnels they can crawl/toddle through and hide. The older children can have a pump track outside of the small children play area.	5/30/2023 3:39 PM
4	Young children are still not very well catered for - older children can kick a football around, younger children need to climb. There should be more for small children, a car /truck or tractor for them to pretend to drive and climb over, and things to fiddle with, and a wobbly bridge - with a slide which has safe steps to get to - the ones on the new slide are dangerous for smaller children.	5/30/2023 3:35 PM
5	Some seating around the court.	5/30/2023 3:33 PM
6	My toddler is SEN, there is no sensory activities in the park at the moment, he needs things to improve his balance and also fiddle toys. The biggest need is pre-school children who don't go to school during the day yet.	5/30/2023 3:31 PM
7	The main people who go here are parents and young children. The facilities for young children are better, but still lag behind others in the area - such as chiswell green. Look at what they have built at Greenwood Park - it would be amazing if we could have something similar for young children here.	5/30/2023 3:26 PM
8	I would like to see the big "maypole" swing stay as kids/teenagers enjoy it. Is there enough room for a sports pitch as well? There are no football or cricket grounds in BW which is unusual for a village this size	5/30/2023 11:55 AM
9	There isn't enough for toddlers and under 5s (smaller climbing frames, slides, sensory areas.)	5/29/2023 11:17 PM
10	None of the options which are suggested are the right thing for the park. The primary users of the park are under 5's. They are the ones who need it most and who will use it most. The offering for small children so far is far below what I was hoping for. There is no slide suitable for a toddler, there is no balance bar, no sand area, no trampoline, no wobbly bridge. Adults don't need an outside gym they can go to woodside and use the proper gym. Don't focus on teenagers it will just lead to anti-social behaviour. Get the offering right for the young children and you will have happy parents and grandparents (adults). If you want to make it inclusive have some sensory toys for mental stimulation and cognitive development for children, have some balance areas for motor skills.	5/29/2023 11:10 PM
11	A cafe or tuck shop would be good especially when warm for drinks etc	5/29/2023 6:36 PM
12	Sandpit, cafe	5/27/2023 3:43 AM
13	Coffee shop would be great	5/26/2023 6:16 PM
14	I would like table tennis , skating, outdoor gym	5/26/2023 5:44 PM
15	Have more things for children, for skating and few playing items.. for elder like table tennis, outdoor gym	5/26/2023 5:37 PM
16	More seating, particularly in the play area for parents while their children play. Why in Q3 and 5	5/26/2023 4:00 PM

St Stephen Parish Council Woodbury Field Phase 2 Play Area Consultation

could we only tick one box?

17	More baby swings, they are always busy as nothing else for babies. Also ground level trampoline	5/26/2023 9:00 AM
18	some sort of water feature/play	5/25/2023 11:04 PM
19	A pump track will appeal to all age groups in all weathers !	5/25/2023 3:44 PM
20	Please make sure play equipment is inclusive for children with disabilities	5/25/2023 2:32 PM
21	Improved access. Currently only one access point via a path. And to make it safer to cross to the park, so a crossing would be good.	5/25/2023 1:34 PM
22	Have the national grid moved . Just a thought only you hear it buzzing whilst you're in the field. Probably impossible request	5/25/2023 1:24 PM
23	Pull Up Bar please.	5/25/2023 1:00 PM
24	For the time we've being waiting for improvements, what has been done so far is a joke.	5/25/2023 12:22 PM
25	The new park is amazing! I've never seen it so busy! It's become a hub which it always needed to, let's hope it grows from here	5/24/2023 5:35 PM
26	More swings for children would be great!	5/24/2023 3:30 PM
27	Splash area for kids, sand pits picnic benches	5/23/2023 8:00 PM
28	More seating or maybe picnic area. More parking space would be fantastic	5/22/2023 7:33 PM
29	More imaginary play areas for example, slopes leading up to a lookout point. More things accessible to younger children.	5/21/2023 3:21 PM
30	More picnic benches , sand pit/ sand play space, a coffee and snack hut	5/21/2023 3:14 PM
31	A wild or community garden would also be a great addition	5/20/2023 5:27 PM
32	Love the idea of the double cable way and the pump track and the outdoor fitness equipment. I would also love to see a mini fenced off area for very little ones to potter around safe from the swings. Also inclusive play equipment for sen children	5/20/2023 12:58 PM
33	Improve drainage to reduce the mud. Have a tea shack!	5/20/2023 12:12 PM
34	Make sure the drainage keeps on working.	5/20/2023 5:20 AM
35	A variety of playground equipment aimed at specific age groups I.e. Big and little climbing frames, zip wire, trampoline, variety of swings ie tandem swings and basket swin in addition to baby and youth swings, spinners, sensory area with outdoor instruments and tactile boards.	5/19/2023 9:53 PM
36	A nice canteen with sitting area, similar to what they have in Shenley park would be amazing	5/19/2023 6:09 PM
37	My grandson is 2 1/2 yrs and I found the steps for him on the slide are two far apart for climbing & he is a tall boy. Could the developer be mindful of this.	5/19/2023 9:26 AM
38	Picnic tables or more seating is needed. Something for older children, a zip wire, pump track, table tennis, tennis court etc.	5/19/2023 8:03 AM
39	Street food van parked by the pitch a few hours a dayand 2-3 picnic tables	5/18/2023 7:53 PM
40	Would like a cycling track, somewhere to get snacks and toilets.	5/18/2023 4:03 PM
41	Better slide accessible for young children	5/18/2023 12:28 PM
42	A basketball hoop and goal would also be good.	5/18/2023 11:20 AM
43	I use the park when I have my grandbabies and when walking the dog, it's a great location for us and we would use it more if it offered more.	5/18/2023 10:59 AM
44	Accessible toilets nearby, water station, benches	5/18/2023 10:56 AM
45	The park itself needs more bins to encourage people to use them. Better access is also required ie only one paved entrance?!	5/18/2023 10:44 AM
46	You almost never see people using the outdoor gyms for adults. I think it would be much better	5/18/2023 10:15 AM

St Stephen Parish Council Woodbury Field Phase 2 Play Area Consultation

to use the space for children and teenagers.

47	Make use of fields with more than just one of the equipments listed above, to encourage people of all ages to be active and outdoors and enjoy our village	5/18/2023 9:01 AM
48	I now take my grandchildren to the park most days, more play equipment would be great. Sunken trampoline & a wooden fort	5/18/2023 7:14 AM
49	Sports and gym equipment	5/17/2023 10:45 PM
50	We are so happy for the changes already, thank you. We would love a tennis court so we can play together as a family. Thank you.	5/17/2023 9:14 PM
51	Also be good to have football and basketball	5/17/2023 9:02 PM
52	A slide that toddlers can use. Both slides have ladders that are too far apart for them to climb.	5/17/2023 8:32 PM
53	A walking track around the park. More bins	5/17/2023 6:47 PM
54	I would like to comment about the playground equipment for the toddlers and young children, I wish there was more wooden equipment and more suitable for the young children as our little one is really struggling to climb on the metal ladders and most of them don't feel safe. Some wooden structures, climbing frames and slides would have been amazing. Thank you	5/17/2023 6:38 PM
55	Pump track/ skatepark	5/17/2023 6:08 PM
56	Qu.4 I hope whatever else we have there will still be a basketball hoop and somewhere to cycle/scoot. Definitely needs to be some benches.	5/17/2023 6:08 PM
57	Thought the children's play park would have been bigger	5/17/2023 6:04 PM
58	The play area for younger children doesn't have enough for the under 5s. It would be wonderful if there was a slide suitable for this age group, a small sunken trampoline and a tunnel	5/17/2023 6:04 PM
59	Cafe 🍷😊	5/17/2023 6:03 PM
60	Would be good to have an area that can be used all year round without feet getting too muddy. Upper arm strength activities. Also my daughters wanted the choice of ninja and double double ride	5/17/2023 5:56 PM
61	Some toilets and a park cafe would be amazing here. Play areas that you can use all year round, so so sun shade and floors that won't stay muddy	5/17/2023 5:44 PM
62	Cafe. Include all above	5/17/2023 4:52 PM
63	Please keep the flat surface area for basketball and football. A cycled scooter track would be much appreciated please!	5/16/2023 6:49 PM
64	A solution to the waterlog problem that happens every time it rains as it gets too muddy to access and play. Lighting for the evening.	5/15/2023 11:28 AM
65	finish it	5/14/2023 6:49 PM
66	A cafe or tuck shop would be great and really encourage people to stay longer. Also picnic tables on the main grass area away from the pylon. Our kids are missing the big horse.	5/14/2023 5:29 PM
67	When this was first presented there was a lot more play equipment shown for younger children, I am disappointed that there isn't as much as was promised	5/14/2023 12:02 PM
68	Liking what's been achieved so far. Some extra equipment as outlined above would improve it further. Also more pathways in and around the playground.	5/13/2023 4:48 PM
69	Also like ninger warrier and cable run	5/13/2023 8:19 AM
70	Also like parkour	5/12/2023 4:47 PM
71	also like the ninger warrier equipment	5/12/2023 4:11 PM
72	Thank you for letting us be the first to use the new play equipment. Whilst I think an extension of the playground is a good idea, I think a pump track and ninja facilities is an awful idea. There are no parking facilities and the field is used predominantly by dog walkers. I do not think this site is appropriate to have teenagers hanging around and should not be attracting	5/12/2023 11:12 AM

St Stephen Parish Council Woodbury Field Phase 2 Play Area Consultation

people from outside of the village due to the lack of parking facilities/ toilets etc. I know that local residents experienced people going to the toilet in their driveways and this is not the residents should have to deal with. I also don't think outdoor gym equipment is a benefit to the community, these spaces are rarely used.

73	An all purpose complex with something for all ages; such as sand pit, table tennis, parkour, scooting/biking track and gym equipment. . A little kiosk in the summer months with possible small toilet house.	5/12/2023 7:26 AM
74	We would like to inform you that human waste is being dumped in woodbury field, unless the access gate is secured you will have travellers gaining entrance. Motor bikes are often seen on the field. We cannot go there after dark as the travellers are drug dealing. Other youngsters smoke cannabis so no seating is preferable. The football game is antisocial and no council would erect this near their homes. The illegal gypsy site now has 31 bungalows on the land, perhaps it would be prudent to address this and not completely ignore.	5/11/2023 9:22 PM
75	I feel that there should be parking as a local resident I know that we will be impacted by the lack of parking.	5/11/2023 8:08 PM
76	Please can we have a splash park?	5/11/2023 5:05 PM
77	I never been to this park although this is just walking distance due to the area being very dark and never see anything from the road. Which i find bit unsafe for me and my children. I have been using Greenwood park as an alternative as it is safe for my children. I have heard anti social behaviour and bullying happening in this park so in the next phase please make sure the safety of the users. I believe this is will be a great addition to bricketwood community.	5/11/2023 5:04 PM
78	Balance of inclusion for all. Football goal vital and quality swings etc for babies upwards	5/11/2023 12:59 PM
79	Move the buzzing pylon	5/8/2023 11:09 PM
80	Surfaced boundary path	5/8/2023 1:54 PM
81	Would really like gym equipment I can walk to. I drive to the Park Street ones.	5/7/2023 10:12 AM
82	PLEASE CONSIDER THE NEGATIVE IMPACT ON THOSE RESIDENTS LIVING LOCAL TO THE PARK - OUR CONCERNS HAVE SO FAR BEEN IGNORED. CAR PARKING MUST BE INCLUDED IN THE PARK – We are sick of blocked drives, antisocial behaviour etc. More facilities mean more people, MANY OF WHOM DO/WILL DRIVE HERE. The gate relocation already increased vehicles parked locally, with people climbing through it to access the park. PLEASE DO NOT INSTALL A PUMP TRACK – it will give motorbikes / quad bikes (already a problem in the park) a readymade race track.	5/6/2023 8:20 PM
83	If you put in any equipment for teens, the local thugs will immediately vandalise it. If you put in a track, you are opening the door to those idiots on motorbikes to race on it. There is no where to park as well, so more equipment will mean more cars - its dangerous enough on the corner of lye lane and oak avenue at the moment, this will cause chaos.	5/6/2023 7:49 PM
84	Better drainage	5/5/2023 9:32 AM
85	More benches, picnic tables and bins would be good. Zip wire and table tennis tables would be our pick. A track or path Al the way round to ride scooters/bikes but not so keen on a pump track. A kiosk like they do at greenwood park would be amazing, or a least access for an ice cream van/coffee cart etc.	5/3/2023 11:34 PM
86	As an adult I would like a pump track and it is not an option, this could introduce bias to your survey.	5/2/2023 8:48 PM
87	Extra seating would be good too.	5/2/2023 8:26 PM
88	It would be helpful to have more park equipment suitable for young toddlers for example a sandpit and also picnic tables for families to sit and enjoy the park.	5/2/2023 8:23 PM
89	A pump track would be awesome, id definitely visit if there was one	5/2/2023 5:51 PM
90	What about parking, I am a resident opposite the field and concerned about people parking on the pavement .	5/2/2023 12:47 PM
91	With more equipment you need more seating area !!!!	5/1/2023 10:15 PM
92	As an adult I would like a pump track to use	5/1/2023 8:58 PM

St Stephen Parish Council Woodbury Field Phase 2 Play Area Consultation

93	Its not easy to answer especially that only one option can be chosen. Definitely needs more seating area.	5/1/2023 8:47 AM
94	Running track	5/1/2023 5:59 AM
95	Bouncy flooring please. Boarding bits for scootering and skateboarding. Creative play areas with contemporary climbing apparatus.	4/30/2023 11:09 PM
96	I think the play area although is a great improvement it's not good. The equipment is boring and not challenging. Greenwood Park is a better example of a fun park. Where is the sand pit for example or a proper climbing frame? How about a small cafe in the park and some seating. Will the ice cream vehicle be able to visit?? Much more can be done and a table tennis table is a must maybe two tables. There is a lot of space take advantage whilst this project is on the table . If you don't take advantage the moment will be lost forever.	4/30/2023 9:55 PM
97	Toilets & baby changing facilities. Picnic tables.	4/30/2023 9:50 PM
98	Look at the amazing work I did in South oxhey that's what we want	4/30/2023 2:33 PM
99	It would be nice to have toilet facilities. Greenwood park is amazing so just a smaller version of that.	4/30/2023 11:08 AM
100	There needs to be a selection of things for older children to do rather than just one. Include a water tap/ fountain to access water and plenty of bins to encourage recycling.	4/30/2023 9:02 AM
101	Football area would be good too	4/30/2023 6:58 AM
102	Make it inclusive for disability. Also lots of benches to sit and picnic tables for families. Football goals a bonus. Thank you for making this better for our community.	4/30/2023 6:43 AM
103	We are a quiet neighbourhood and we have a local team who train here. I love walking my dog through my park but wish there was a route around it instead of walking in the mud!	4/30/2023 12:54 AM
104	More for teens would be great, they missed out on a decent park when they were younger.	4/29/2023 11:09 PM
105	Look at the success of the pump track in cotton mill. This would be a real hit with the kids of the local villages given most of them head off to the common and woods for similar thrills of jumps	4/29/2023 11:00 PM
106	Great place for all ages would be good	4/29/2023 10:27 PM
107	Monitor Disabled Parking Bays at 8-9 a.m	4/29/2023 10:05 PM
108	Access for wheelchairs/scooters/rollators is very poor - happy to advise on problems (& possible solutions)	4/29/2023 9:53 PM
109	I don't understand why you can only pick one option for the kids equipment but you can pick more than one for the adults equipment, particularly when the kids equipment will vary in cost significantly	4/29/2023 9:42 PM
110	Monkey bars	4/29/2023 9:36 PM
111	Please have some consideration for the local residents who have to put up with the random parking and very angry people who frequent the park. Also, if you put a pump track there, you are going to open the door to all manor of anti social behaviour with motorbikes and quad bikes. It's bad enough with people racing around the park at night now, if you give them a reason to go there and race, it will be so much worse.	4/29/2023 9:32 PM
112	Increased use of the park is likely to result in parking issues in local streets. Adequate parking provision is essential.	4/29/2023 9:32 PM
113	Something for the pre-teen age group is so important. There's so little for the kids to do and Bricket Wood would benefit so much from a park that suits both young kids and older children too	4/29/2023 8:57 PM
114	Bar for pull ups & chin ups for adults would be really beneficial	4/29/2023 8:34 PM
115	It needs to be a good mix for older and younger children. As a local childminder I would love a space to take my little ones to (under 5s) as well as the older children I look after (5-10 year olds) I also have an 8 year old (with asd/adhd) so would love stuff he can climb.	4/29/2023 11:13 AM

St Stephen Parish Council Woodbury Field Phase 2 Play Area Consultation

116	Picnic benches	4/28/2023 8:15 PM
117	Would be nice for the bridge entrance to be wider, and a less muddy path leading from bridge to play area (to make navigation with double pram easier!)	4/28/2023 8:10 PM
118	A great deal more seating around the play area and to allow picnics and plenty of rubbish bins !!!!	4/28/2023 5:09 PM
119	More seating for parents/grandparents	4/28/2023 5:08 PM
120	Football goals, ninja equipment and a pump track will all be welcomed	4/28/2023 5:08 PM
121	Picnic benches would be a nice addition to sit with family and friends, apparatus suitable for younger and older children. A pump track would be a great addition and I'm sure would be well used by those in the village	4/28/2023 4:49 PM
122	Pump track is a perfect addition to Woodbury field allowing toddlers to learn on balance bikes and older children to enjoy too.	4/28/2023 4:12 PM
