## Play Area Plan

Play Area Management Plan 2024-2034

Strategic Plan goal: to promote diverse and inclusive leisure provision to meet the needs of the community as whole.

To achieve our goal we will focus on:

- Community Engagement: We will gather input from residents through online surveys and consultation workshops to ensure projects meet community needs. Mayflower Road consultation Octpober 24.
- Inclusivity and Sustainability: We will prioritise inclusive play opportunities and environmentally friendly materials.
- Value for Money: Play areas will be funded by planned precept expenditure, Section 106 (developer contributions) and by actively seeking grant funding.
- Maintenance: All play areas will be designed to minimise long-term maintenance costs.
