| 1 | Option 1 or 2 or a concrete bowl for skateboarding/scooter/bike would be a good option | 10/30/2024 11:43 PM |
| 2 | None. The equipment there is under utilised. There is rarely any children there since the facilities at Greenwood will always be superior. By far the biggest use of the area as a whole is dog walkers | 10/30/2024 2:46 PM |
| 3 | None of the above | 10/29/2024 5:45 PM |
| 4 | Or option 4 | 10/25/2024 2:13 PM |
| 5 | I think the wood is lovely and in keeping with the park. I always feel though those poles are dangerous and should be a proper slide. | 10/16/2024 5:54 PM |
| 6 | Option 4 looks the most fun, and reasonably maintenance free? | 10/16/2024 11:49 AM |

| 11 | Children rarely play in this park compared to dog owners | 10/3/2024 11:33 AM |
| 12 | I chose this as there is not a climbing frame. However, as 8+ do not tend to come here, I'm not sure I think new equipment is worth it | 10/1/2024 10:32 AM |
| 13 | none of these | 10/1/2024 9:38 AM |
| 14 | All | 9/27/2024 3:46 PM |
| 15 | None of these. No one uses the climbing frames, you should know this by now. I personally feel they're just a way to spend up unnecessary budget and then say "well we've updated the park" yeah with shiii no one asked for. :) we don't need an exact copy of woodbury playing field. Add a skate park, so there's a pump track at woodbury and skatepark at mayflower | 9/27/2024 10:15 AM |

| 1 | The 'mixed space' is not used as such as there are very few areas to sit down. People would not want to sit in an area where ball games were being played in such close proximity. | 10/27/2024 10:36 AM |
| 2 | Remove the gate in the mixed area to discourage unsafe dog handling. To many people driving to use the space as a dog park causing more traffic pollution and unsafe parking. Dogs with no recall cause an unsafe area for children to play. Removing the gate means dogs with no recall can not be let off lead | 10/17/2024 3:40 PM |
| 3 | Please keep as a mixed open space where dogs are welcome | 10/16/2024 5:35 PM |
| 4 | Works well currently | 10/16/2024 11:49 AM |
| 5 | Leave the spaces the same. Mayflower is the only enclosed park for miles where you can safely walk a dog off lead. Lots of people use it for training dogs when they're puppies. | 10/7/2024 7:39 PM |

| 15 | Add some more seating to dog area. A lot of people use that and the kids area, this way kids can have a picnic/snack while playing and walking dog. Dog 'parking' would be a nice feature too. | 9/27/2024 11:53 AM |

| 7 | We currently use mayflower Park for my 8 year old son who has severe learning difficulties and complex needs, asd, adhd, non verbal. We use it as it is often quiet with only a few children so our son can be relaxed and run around happily and we don't have to worry about what other people think if our son is not using the play equipment as intended but still very happy- e.g tapping equipment, sitting on steps of slide etc. If the park is updated so cater for older children it may be become to busy for use to use without feeling intimidated or unable to relax. | 10/16/2024 8:25 PM |

needs should be considered . Secure fencing is essential and I do not think ball games should be encouraged- there is plenty of room due this in greenwood park (in fact at certain times of the year football and cricket games seem to take over greenwood park)

| 24 | I am 85, and unable to walk that far, I am a blue badge holder. This is the only place I can come to walk my dog safely off the lead so he can get the required exercise he needs. I meet people here every day and is the only place that I socialise and exercise , I would be very lonely with out it and would have to walk my dog on lead on pavements more risking a bad fall, which in my condition could be fatal | 9/30/2024 11:13 AM |

| 2 | The entrances should be locked late evening as they used to be. There are people in the play area late into the evening and night which is very worrying for those like myself who live opposite as their purpose to be in there can be concerning | 10/30/2024 10:51 AM |

| 6 | This is not a dog park and should not be used as one - kids playing and get dog muck on them because people can't be bothered to pick up after their dogs. Would like to see multi court so ball games can be played. Keep fit items and places to sit please. | 10/20/2024 12:51 PM |

| 12 | We used Mayflower road a lot - at least twice maybe more a week when my children were younger. The addition of the new roundabout was great. It's a good space and they really loved going there. However the reasons we use it less now are - they are 7 and 5 and need something more exciting from a park in terms of equipment, in the winter the ground is wet and muddy and it's not as usable due to this - would appreciate more tarmacked areas to make it better year round, once a dog was barking/jumping at them through the fence from the dog park and the owner didn't have it under control and it scared them so we went to different parks without dogs (perhaps the height of the fence between these areas could be greater), the parking is a bit tricky if there are quite a few people there (appreciate not much can be done about this given it's residential), also they climb the trees and the fence between the trees and the road wasn't secure so it didn't feel safe - they could get under it at one point - so if that fence could be safer/more robust that feels like a good idea, and finally while it is super local to school so would be great to go post school, there is more to do at Greenwood so this is where their friends go. We would definitely use Mayflower more if it had more age appropriate facilities. | 10/17/2024 9:19 AM |

| 20 | The separate area is very handy for dog owners and also is utilised by people playing football etc so I think that should stay but the park bit being separate is ideal as means you can safely see your children and not worry about dogs or ball games injuring them | 10/16/2024 6:16 PM |
| 21 | I think the area needs more stuff for children 8+ like in bricket wood. Basketball/ football area where the older ones can play. When is muddy noone goes there. I feel a bit of asphalt | 10/16/2024 5:58 PM |

| 24 | I would like to have a similar park as briket wood one. It is very nice and practical for all age. | 10/16/2024 5:44 PM |
| 25 | The current layout seems to lend itself to older kids using it for 'hangouts' and is often littered with things which aren't good for small children. I would be keen to have areas for smaller and older kids and to ensure it's borders are appropriate | 10/16/2024 5:39 PM |
| 26 | It's a lovely park but definitely one that needs a big update- the local kids need it. And please something for pre teen/teen age thank you | 10/16/2024 5:35 PM |
| 27 | The only issue with the mixed area for dogs is the dog toileting issue however . . . the dogs are also important and a big factor for the area as a lot of dog owners | 10/16/2024 5:33 PM |
| 28 | I'm a volunteer for Guide Dogs, and use Mayflower to free-run my dog-in-training. It's a large-enough, safe space and can be shared easily. It does get waterlogged though - perhaps some work on drainage could be considered. | 10/16/2024 11:49 AM |
| 29 | As a new housing development is being built on the field next door you should take into account that more children will be moving into the area in the future and they would probably like to have more facilities available in the park. | 10/15/2024 7:37 PM |
| 30 | The park looks a bit tired and dated and it would be good to have facilities for older children/teenagers. I hope some area of the park is kept for dogs, as it is a very safe environment, especially for dogs that can't be let off the lead in other areas. I feel relaxed using this park for dogs and it is the only secure one in the area. People really appreciate it. Thanks | 10/8/2024 7:32 AM |
| 31 | Need equipment aimed at 8 years+. Mini trampolines, slides. The mixed area needs to be separate from dogs as it's not nice playing football having to dodge the dog poo. | 10/7/2024 9:03 PM |
| 32 | Mayflower actually works really well as it is. Separate pieces of equipment give children space to play separately, so please don't replace things with one bug piece of equipment. I have smaller age children and it's hard to keep them safe when bigger children take over a single piece of play equipment. With separate pieces everyone has their space. A shelter at Mayflower would be amazing though. And plenty of swings - they're always popular. | 10/7/2024 7:39 PM |
| 33 | Maybe a picnic area. shelter for when it rains more sitting | 10/7/2024 4:49 PM |
| 34 | A shaded area would be a good addition for children in the summer months | 10/7/2024 1:53 PM |
| 35 | A lovely open space that is not being used to its full potential. Would be lovely for it to bring the residential community together with small events held there eg : summer teddys bear picnic . | 10/6/2024 5:49 PM |
| 36 | Stop so many dog walkers going to the mixed use space. It's not possible to play ball games with my children and dog poo is everywhere. Making it sports only would be amazing. And this is coming from someone who lives opposite it and I even have a dog! | 10/6/2024 5:19 PM |
| 37 | Perhaps include an outdoor gym and table tennis tables. | 10/5/2024 8:15 PM |
| 38 | 1.keep the spinny thing 2.more colours 3.more seats 4.more swings 5.more climbingframes | 10/5/2024 4:31 PM |
| 39 | There is a huge space that is designated to dogs and is impossible to play football with my grandson as there can be as many as 8 dogs at one time, I feel this space should be aimed more for the play area for football basketball ect, it would also be great to have a picnic area for everyone to enjoy such a beautiful green space Maybe a toddler area too where parents would feel safe letting their likes ones crawl & toddle Please keep the swings and the rope swing they are very much loved | 10/4/2024 10:07 PM |
| 40 | Water tap for dogs would be amazing for hot months and shelter for cold months with seating for older people. Every 6 months regular checks of the fencing to make sure it's secure as there's a main road the other side | 10/3/2024 11:33 AM |
| 41 | Another bench or two would be great (under the trees for shade) | 10/2/2024 9:30 PM |
| 42 | The area is so neglected that is needs to be inviting and appealing to children. A mixtire of activities is so greatly needed, whilst safety must of course be paramount. The play area should be bright and colourful, inclusive and there should be a different area for dogs (as not all children like dogs and dog toileting can be a problem). | 10/2/2024 9:32 AM |

| 43 | To many dog owners take their dogs into the present children's area and off the lead as well also when entering the park via Mayflower Road on route to the dog area across the children's area often let of the lead to run around before reaching the dog area | 10/1/2024 9:06 PM |
| 44 | This sounds great. I have a 2 and a 4 year old and a better playground would be excellent as we live on dell rise. I do also bring my dog there occasionally but I feel that area could be used better for a place for adults to sit and chat too | 10/1/2024 11:44 AM |
| 45 | I know there has been a consultation regarding greenwood park. I hope both consultations consider the feedback from each other so all members of the community, young and old, have a safe place to enjoy open spaces. | 10/1/2024 10:32 AM |

| 47 | Main gate should close on its own. Leave the trees | 10/1/2024 7:23 AM |
| 48 | A shelter for the rain, and maybe a non slip path round the outside for when it gets muddy especially by the entrance where it floods, this would make it safer for older people | 9/30/2024 11:13 AM |
| 49 | One of my Dogs has already been run over when I used to let my dogs of the lead at chiswell green, all of the parks round st. Albans except this one are not secure and surrounded by very busy roads, this is the only place safe people can come to walk their dogs. Additionally it is a very social place where people meet daily. Some of these people are very Elderly and this is the only place the have social interaction and would be very isolated with out it. They are not physically fit enough to take there dogs to the big unsecured parks | 9/30/2024 10:58 AM |
| 50 | The main open area of the park is opposite our house. Whilst we don't mind dogs being in the park, we do mind when they arrive at unsociable hours and allow their dogs to bark and then shout at them. This has happened a few times during the summer at about 5.30am. The dog walkers seem to assume that everyone loves dogs snd being up at the crack of dawn! | 9/29/2024 11:10 AM |
| 51 | Add more places to sit, maybe tables and chairs to play board games | 9/28/2024 9:33 PM |
| 52 | We used to take our grandkids and dogs on picnics there but it's so disgusting, we can't do that now | 9/28/2024 10:09 AM |

| 54 | Small skate park, need a walking path. New gate on orchard drive. Get the new housing development to buy some equipment | 9/27/2024 5:50 PM |
| 55 | The present equipment is dated and doesn't encourage families. The amount of dog poo in open area is disgusting. | 9/27/2024 5:43 PM |
| 56 | Would love to see a work out area here | 9/27/2024 5:17 PM |
| 57 | I think that it's great that this park is getting a make over and will definitely soend more time with my 5&9 year old children | 9/27/2024 4:46 PM |
| 58 | In "shared" area & the dog walkers being hostile & it being unsafe for children because of the amount of dog poo x | 9/27/2024 4:41 PM |
| 59 | Many people walk their dogs at that park and it's one of the only enclosed areas to let your dog off the lead. I would be very disappointed if I couldn't take my dog there. There was a dog that was killed on the road that came out of greenwood park. So this park provides a safer environment. | 9/27/2024 4:34 PM |
| 60 | An update of the existing play equipment would be welcome, especially the swings. An assault course type arrangement would be good, like that in the new Bricket Wood park. | 9/27/2024 4:33 PM |
| 61 | The mixed area is not usable as it's always full of dogs and dog poo. | 9/27/2024 4:31 PM |
| 62 | The mixed area is rarely used by anyone except dog walkers mainly due to the hostility the dog walkers give anyone who isn't walking dogs. Also the amount of dog faeces on the grass makes it unsafe for children to use. | 9/27/2024 2:31 PM |
| 63 | Catering for those who have dogs AND kids is a massive perk. It's incredibly difficult to juggle both. If this is taken into account it will be warming received. I.e. shaded dog parking area, seating in outside section so we can sit as a family with the dog with us. | 9/27/2024 11:53 AM |
| 64 | Maybe some toilet facilities would be helpful,especially when Burstons isn't open. | 9/27/2024 10:16 AM |
